

- StEvo update:

all the staff got pay cuts

stevo wants to give David Jones a raise

- oprating budget can be changed without checking with us and but regular has to check with us.

FSWG: PICA got 5000

- ESLP got speaker fees for food systems
- PICA CUIP TAP that, GAG display, URBAN Aquaponics for ESLP
- Earth Summit: Megan is on the blueprint committee. Earth Summit is going to be shorter, tabling of the topic areas, synergy of sustainability is th theme.
- Award Letters: Sophie
- next steps:
- next funding round: use google docs to show groups how to make their budget. each group has to use these docs and send us the final product.
- Next meeting: Max give training on budget, redistribut council roles, improvables from winter, timeline, meting time.- Sigma Pi meeting, retreat beginning of Spring quarter (level of involvement), Oakes
- council: get David Jones to come talk to us at a meeting about what he does. Create question
- Alumni: create form,
- retreat: put more confusing stuff in the grant training. Evaluate semi-regular funding. outreach(who, whn, why), posstering/creaive, inclusive presnc, faculty/staff awarness
- StEvo: get Davids job description for CSC, look at past allocations for what we gave to David (14,000 increase in Spring 09 semi perm).This spring, eval for perm. look at benefit cuts for wellness center and other groups
- Earth Summit: updates: grantee presentation
- creative day: Megan: Before next funding round: put pictures of groups on website. Set orientation for new members in spring that we advertise for at Earth Summit. Make mind map(or tree) of orgs csc has funded. Photo Album: make photo album for earth summit
- council: csc needs a list serve
- Council: come to Day by the Bay
- Sophie ,Max, Max, Danielle, Tutti, Joyce: award letters
